

Dear Mohawk Families,

As you know, our school community places the safety and well-being of our students at the forefront of our priorities. As part of our commitment to fostering a supportive and caring environment, we would like to inform you about an upcoming Suicide Prevention Assembly scheduled for **January 24th at 2:00 PM**.

Our presenter, Anthony Grupido, brings valuable insight and advice that is both attainable and relevant. His authenticity allows him to share his journey with suicide and mental illness in a manner that provides hope. Anthony will also offer specific resource information and lessons that can help alleviate symptoms of anxiety, depression, and stress.

What sets Anthony apart is his ability to illustrate his stories with world-class magic, making the presentation not only informative but also entertaining. We believe this unique combination will resonate with our students and create a memorable and impactful experience.

The assembly aims to raise awareness about mental health, provide valuable information on suicide prevention, and emphasize the importance of supporting one another. We believe that open and informed discussions on this topic contribute to a safe and nurturing school environment. Here is a link where you can view detailed information about the speaker:

We understand that such discussions may be sensitive. If you are not comfortable with your student attending the assembly, we can arrange an alternative activity during that time.

Thank you for your ongoing support as we continue to prioritize the well-being of our students.

Sincerely,

Rick Wiersma, MSHS Principal
