

June 2007 Bike Winners

Each semester Morley Stanwood students who ride the bus are eligible for good behavior awards. The only criteria they need to meet are that they behave on the rides to and from school. All students that do so have their names placed in a draw and winners are chosen. Second Semester transportation winners for Good Behavior are: front row left to right Morley Elementary Student Joann Hale, Stanwood Elementary Student Kymberly Smith, Middle School Student Andrew Groot, also pictured left to right Transportation Director John Boyd, and Bus Drivers Cindy Sutherland and Kim Doran. This year's bikes were donated by MSCS Food Service Director Matt Zimmerman and the Food Service Staff. Congratulation Students!
