## District Annual Education Report (AER) Cover Letter

February 12th, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Morley Stanwood and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Mr. Roger Cole, Superintendent for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following website [Annual Education Report \(1\)](#) or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

### **Student Assessment Data**

Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT

Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

### **School Accountability**

Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales

Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

### **Educator Qualification Data**

Identifies the number and percentage of inexperienced teachers, principals, and other school leaders

Reports teachers who are teaching with emergency or provisional credentials

Includes teachers who are not teaching in the subject or field for which they are certified

### **NAEP Data (National Assessment of Educational Progress)**

Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

### Civil Rights Data

Provides information on school quality, climate, and safety

Review the table below listing our schools. For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Morley Stanwood Elementary	No Label	1:1 technology Horizontal and Vertical alignment of curriculum with priority standards MTSS for bottom 30% MTSS for students with disabilities PBIS and Jostens Renaissance for school culture improvement
Morley Stanwood Middle	No Label	1:1 technology Horizontal and Vertical alignment of curriculum with priority standards MTSS for bottom 30% MTSS for students with disabilities PBIS and Jostens Renaissance for school culture improvement
Morley Stanwood High	No Label	1:1 technology Horizontal and Vertical alignment of curriculum with priority standards MTSS for bottom 30% MTSS for students with disabilities PBIS and Jostens Renaissance for school culture improvement

At Morley Stanwood Community Schools we are committed to providing an education for our students that will lead them to successful futures. It is our belief that dedication to both teaching and learning is essential for achieving excellence. We have high expectations for our staff and students and believe this helps to prepare all learners for college or careers. MSCS staff spends time specifically on developing a healthy culture and climate for all students. We focus on implementing a variety of academic supports along with proactive behavioral interventions to improve student grades and conduct.

I encourage parents and community members to contact their local schools to become involved. A key strength of MSCS is a high level of community support. We will continue to work together to make our district an even better place for our children and their future success.

Sincerely,

Roger Cole, Superintendent
