**CHARACTER TRAITS** - At MS Elem, we continue to work on a new character trait each month. February is **"COURAGE"**: "Choosing what is helpful, right, and kind - even when it's hard or scary."

We all experience moments in our lives when we have to choose what is right or kind. Sometimes, it's not easy to know what choice to make. Reassure your child that fear is one of our feelings and it's okay to feel afraid. Courage isn't fearlessness, but instead it is our ability to choose the right thing even when we are scared.

**Download the Morley Stanwood District App to receive all important messages including changes to transportation routes, schedules, snow days, etc. This is the best way to stay up-to-date with changes.**

### **FAMILY MATH NIGHT**

Thanks to everyone who helped make Family Math Night a success! We had a total of 378 people in attendance! 192 Students, 151 adults/teens, and 35 volunteers. All had fun and enjoyed a delicious spaghetti and meatball dinner. There were many very positive child/parent interactions. A huge thank you to all who contributed in making the Family Night a fun filled event and all the families for joining us! All students were able to earn a free book and many won prizes. Our Family Nights would not be possible without the assistance of so many. Thank you!

Please join us at our next Family Night on March 20th.
